

School Leader Questionnaire 2002-2003

Place School Leader label here

Do NOT put barcode label here

This questionnaire is to be completed by staff whose assignments involve leadership responsibilities.

Findings from this questionnaire will help us gain a better understanding of school improvement efforts underway at your school and the role that school leaders play in those efforts

Your responses are voluntary and confidential. If there is a question you do not wish to answer, simply skip it. We hope you will answer as many questions as possible. No individual schools or school staff members will be identified in any published reports.

Marking Instructions

Please use a No. 2 pencil only

Erase unwanted marks completely

Make no stray marks

Mark only one response to a question, unless other directions are given

Your Leadership Roles and Activities

1.	What is your primary role at this school? Mark (X) ONE bo						
_	☐ Principal ☐ Assistant Principal ☐ Other profess					,	
2.	How many years have you been working in this role at this Years	s school	? (Print n	umber of y	ears in bo	xes.)	
3.	What percentage of your time is allocated to a teaching as	signmei 76-99%	nt? Mark ☐ 100°		ox.		
4.	Please indicate what percentage of your time has been designated to perform any of the following school reform program roles in your school. Mark (X) for EACH item.	0%	1-25%	26-50%	51-75%	76-99%	100%
	Accelerated Schools Coach/Facilitator						
	America's Choice Design Coach						
	America's Choice Literacy Coordinator						
	America's Choice Math Lead Teacher						
	America's Choice Parent/Community Outreach Coordinator						
	Success for All Reading Facilitator						
	Success for All Mathematics Facilitator						
	Success for All Family Support Coordinator						
	Other (please specify)						
5.	In addition to any of the roles you might have checked in question 4, what percentage of your time is <u>formally</u> assigned to any of the following responsibilities at this school? Mark (X) for EACH item.	0%	1-25%	26-50%	51-75%	76-99%	100%
	Special Program Coordinator (e.g. Title I)						
	Reading/Literacy Program Coordinator						
	Math Program Coordinator						
Ī	Other Subject Area Program Coordinator						
	School Improvement Coordinator						
	Master/Mentor Teacher						
	Teacher Consultant						
Ī	Other (please specify)						

6.	During the current school year, about how often did you do any of the following? Mark (X) EACH item.	Never	A few times throughout the year	A few times per month	1-2 days per week	More than 2 days per week
	Supervise clerical, cafeteria, and maintenance staff					
	Monitor public spaces, such as the cafeteria, hallways, playgrounds, etc.					
	Deal with emergencies and other unplanned circumstances					
	Work with students and their parents on discipline/attendance issues					
	Complete routine paperwork (such as reports and record keeping)					
	Attend district- and board-organized meetings					
	Seek resources outside the school (e.g. from local businesses, school improvement programs, universities, or funding agencies)					
	Work with local community members or community organizations					
7.	When working directly with teachers this year, how often did you do any of the following? Mark (X) EACH item.	Never	A few times throughout the year	A few times per month	1-2 days per week	More than 2 days per week
	Demonstrate instructional practices and/or the use of curricular materials in a classroom					
	Observe a teacher who was trying new instructional practices or using new curricular materials					
	Share information or advice about classroom practices with a teacher					
	Examine and discuss what students were working on during a teacher's lesson					
	Examine and discuss the standardized norm-referenced or curriculum-referenced test results of students in a teacher's class					

8.	In this question, we would like you to reflect upon how you prioritized your time this year. In your work during the current school year, how much priority did you give to each of the following issues? Mark (X) EACH item.	g o	a part f my vork s year	Worked on this, but did not give it a high priority	issue a high priority	of my top 3 priorities this year
	Framing and communicating broad goals for school improvement					
	Examining the school's overall progress toward its school improvement goals					
	Setting explicit timelines for instructional improvement					
	Clarifying expectations or standards for students' academic performance					
	Examining and discussing exemplars of students' academic work					
	Using the school's standardized, norm- or curriculum- referenced test results to plan instructional changes					
	Promoting alignment between the assessments used to evaluate the school's instructional program and what is taught in classrooms					
	Promoting instructional coordination across grade levels in the school					
	Promoting instructional coordination across regular and compensatory/special education programs in the school					
	Promoting integration of the school's curriculum (e.g., mathematics and science, or reading/language arts and social studies)					
	Developing the staff development program in the school					
	Personally providing staff development					
	Troubleshooting or supporting the implementation of school improvement efforts					
	Monitoring or supervising the implementation of school improvement efforts					
	Working on plans to improve the teaching of specific curricular units or objectives					
	For the next set of questions, we would like you to ref overseeing, managing, or coordinating instruction in team."					
9.	How often do you interact with other members of the <i>leadership team</i> in the following settings? Mark (X) EACH item.	Never	A few ti through the ye	nout times pe	er per	More than 2 days per week
	In formally scheduled meetings					
	In informal meetings (for example, stopping by each other's classrooms or catching each other in the hallway between classes)					

10	Please indicate the extent to which you agree or disagree with the following statements about the leadership team in your school. Mark (X) EACH item.	Strongly Disagree	Disagree	Agree	Strongly Agree
	Members of the leadership team openly express their professional views during meetings.				
	Members of the leadership team are willing to question one another's views				
	We do a good job of talking through views, opinions, and values				
	Members of the team work together closely to lead this school				
	Power to make decisions is equally shared among members of the leadership team				
	The team usually tries to come to consensus when making decisions				
	A few people in the team seem to dominate the decision making process				
	I am not usually involved in the decision making process				
Т	he School Improvement Process				
11	. Does your school have a written school improvement plan? Mar	k (X) ONE b	ox.		
	☐Yes				
	\square No, but we are in the process of developing one - Skip to question	14 on page	7		
	\square No, and we are not currently developing one - Skip to question 14	on page 7			
12	. For how many years has this school had a school improvement	olan? Mark	(X) ONE bo	х.	
	□ 1				
	□ 2				
	□3				
	□ 4				
	□ 5				
	□ 6				
	□ 7

	□ 9				
	☐ 10 or more				

13	. Please indicate the extent to which each of the following was an important priority in your school's improvement plan this year. Mark (X) EACH item.	Not ir our pla	but	he plan, not top riority	A top priority	
	Improving the school's facilities					
	Improving school climate (e.g. making school safer, fostering respect for others)					
	Improving parent participation					
	Improving student attendance					
	Improving the health and welfare of students					
	Improving the reading/language arts program					
	Improving the mathematics program					
	Improving the school's library, technology, or media					
	Improving another academic program or programs					
14	During the current school year, was this school formally identified as "in need of improvement" or placed in a <i>formal</i> status requiring school improvement by any of the following agencies? Mark (X) EACH item.	Yes	No	*		
	The state education agency					
	The federal Title I program					
	The school district					
	Other agency					
15	. Does your school participate in a comprehensive and Accelerated Reading, Accelerated Schools Project, An				•	example,
16	This year, how often did you discuss the following issues with a representative from a comprehensive and/or research based model of school reform? Mark (X) EACH item.	Never	A few times throughout the year	A few times per month	1-2 days per week	More than 2 days per week
	Aspects of the reform model your school is implementing successfully					
	Areas of implementation of the reform model in which your school needs to improve					
	Specific ways in which teachers should be changing their teaching to implement the model better					
	Using student assessments for data-based decision making					
	Ways in which professional development could offer better support for implementation of the program					

17.	To what extent do you agree or disagree with the following statements? Mark (X) EACH item.	Strongly Disagree	← 2	3	4	5	6	Strongly Agree
	Our school district has a formal procedure for school improvement planning							
	Our school district is encouraging us to adopt a comprehensive school reform model or similar research-based program							
	The availability of additional funds for school improvement has increased in the last couple of years							
	There is a great deal of dissatisfaction with student achievement among staff members at this school							
	Staff at this school press each other to become engaged in school improvement activities							
	Staff at this school have seen clear evidence of successful school improvement in other schools							
	Staff here feel the school has a poor reputation							
	Parents and/or community groups have demanded improvement at this school							
	Our school receives monetary rewards for improving student achievement scores							
	Personnel in this school are evaluated and/or rewarded on the basis of student achievement							
	Taking a leadership role in instructional improvement is a good way to move ahead in one's career							
18.	How often do you engage in the following activities as part of your regular duties? Mark (X) EACH item.	Never	A few through	ghout	A few times per month	1-2 d pe wee	r	More than 2 days per week
	I monitor the curriculum used in classrooms to see that it reflects the school's improvement efforts]	
	I monitor classroom instructional practices to see that they reflect the school's improvement efforts]	
	As part of improvement efforts in this school, I observe in classrooms in order to examine what students are learning]	
	I evaluate teachers using criteria directly related to the school's improvement efforts]	
	I praise, publicly recognize, and/or provide tangible rewards to teachers whose instructional practices support the school's improvement efforts]	
	As part of improvement efforts in this school, I praise, publicly recognize, and/or provide tangible rewards to students who succeed academically]	

19. To what extent do you agree or disagree the following statements about the scho improvement process at this school? Mark (X) EACH item.	ol Stro	ongly ogree	2	3	4	5	6	Strongly Agree
This school has a set of shared values that guide school improvement efforts	[
Before making school improvement decision alternatives are always carefully researched								
This school has a detailed plan that clearly sout what administrators, teachers, and stude are supposed to do								
I worry that we are adopting too many different programs and practices in this school	ent [
A careful review process guarantees that all programs brought into the school are compa with our overall improvement goals								
School improvement efforts at this school had been carefully staged and sequenced	ave [
Decisions about school improvement are al based upon a school improvement plan or skind of goal statement								
The next steps for organizing and staffing o instructional program are clear	ur [
This school passes up many school improve opportunities that do not fit with our improve goals								
The steps teachers are expected to take to promote classroom improvement are clear	[
This school uses a well-developed process identifying issues to be addressed by our so improvement efforts								
Our school improvement efforts define specinstructional goals for students	cific [
There are strict rules and guidelines that go which improvement initiatives are allowed to brought into the school								
Group investigation and problem-solving are central to achieving our school improvement								
Our school improvement efforts identify cleasteps for improving home-school relations a parent participation								

2	20. To what extent have school improvement activities at this school placed special emphasis on: Mark (X) EACH item.	Not at all	To a small extent	To a moderate extent	To a great extent
	Hiring new administrative or support staff with instructional expertise and interests that support this school's improvement activities				
	Hiring new teachers whose expertise and interests support the school's improvement activities				
	Changing instructional assignments to match teachers' expertise with student needs				
	Providing teachers with professional development opportunities that are deliberately aligned with the school's improvement program				
	Providing administrators and other school leaders with professional development that is deliberately aligned with the school's improvement program				
21	. To what extent do you use the following kinds of information in planning for and evaluating school improvement activities at this school? Mark (X) EACH item.	Not at all	To a small extent	To a moderate extent	To a great extent
	Results from your district's assessment program				
	Results from your state's assessment program				
	Reports prepared by state and/or federal agencies regarding your school's progress on instructional improvement initiatives				
	Student grades and report cards				
	Results from standardized, curriculum-referenced testing (e.g., periodic criterion-referenced assessments)				
	Informal assessments conducted by teachers (e.g., portfolios, student conferences, reading inventories, running records)				
	Learning or curriculum standards				
	Samples of students' academic work				
	Your own and others' observations in classrooms				
	Statistical reports of discipline problems and behavioral referrals				
	Attendance reports				
	Information about effective instructional practices gained from professional readings, workshops, or seminars				
	Information about curriculum programs or materials gained from professional readings, workshops, publishers, etc.				
	Information about student learning processes gained from professional readings, workshops, publishers, etc.				
	Practices found to be successful in other schools in the district				
	Visits to schools outside your district				
	Input from community members or community groups				

District, State, and Community Environments

22	. To what extent do you agree or disagree with the following statements about	Does not	Strongly	_					Strongly
	your school district? Mark (X) EACH item.	apply	Disagree	2	3	4	5	6	Agree
	The school district's curriculum frameworks are specific and clear								
	The school district's assessment program provides specific and clear information about what students should know and be able to do								
	The school district's instructional policies give teachers clear information about what and how to teach								
	District standards for student learning drive much of our improvement agenda in this school								
	The school district is an important source of funding for our school improvement agenda								
	The school district provides flexibility in how resources are allocated at this school (e.g., time, materials, personnel)								
	The school district's staff provide important information and expertise that support our school improvement efforts								
	There is a great deal of turnover in the central office in the district								
	There is a strong consensus among district leaders about priorities for school improvement								
	Central office policies and procedures change frequently in this district								
	The school district's improvement agenda makes it difficult for us to create a school improvement plan tailored to the specific needs of this school								
	The district's personnel policies and practices make it difficult to hire staff with the expertise and interest we need for school improvement
